**What was the general composition of the audience present? E.g. Dementia patients , Elderly residents, etc**

A large group of women who have a monthly lunch followed by some form of entertainment.

**What was the audience's overall impressions of the performance ?**

The audience thoroughly enjoyed Ukybobs' performance.

**Were the song choices appropriate for the audience ?**

The songs were very appropriate. We enjoyed joining in with the songs from our youth!

**What , If any impact did the performance have on the audience**

We all went home with smiles on our faces. So many people told me how much they had enjoyed the performance.

**Did the performance involve or encourage any audience participation? If yes....how?**

We enjoyed singing along. Many were able to use the percussion instruments. Perhaps there is a need to buy even more instruments so that larger groups can all "accompany" the group.

**Would you use the group again?**

Yes

**Any Improvements / Feedback ?**

More instruments. Song books for performances where the songs are not so well known.

**Any Other Comments ?**

A wonderful afternoon. We are looking forward to your next visit!
