Frances Sandham

Email

francesandham@priorygroup.com

What was the general composition of the audience present? E.g. Dementia patients , Elderly residents, etc

Brain Injury patients of various ages

What was the audience's overall impressions of the performance ?

Everyone enjoyed the performance. We had patients singing along, using instruments and tapping their feet and hands.

The musicians were friendly happy and engaged the audience.

Very pleasing and enjoyable for all present.

Were the song choices appropriate for the audience ?

Yes, we feel they played music that was appropriate for all ages

What , If any impact did the performance have on the audience

Boosted their morale, engaged the patients and staff in movements which is fabulous for rehabilitation. very stimulating for the mind and body, very enjoyable experience for all

Did the performance involve or encourage any audience participation? If yes....how?

Yes - everyone took part, everyone was singing along. Patients playing instruments and looking very happy.

Would you use the group again?

Yes

Any Improvements / Feedback ?

None

Any Other Comments ?

We look forward to having the UkyBobs play here again
